Phoca PDF

Rush Pikes Peak Soccer Club is proud to provide a number of programs outside the normal realm of training, competition, and soccer related activities. One of those programs is the College Advisory Program or C.A.P. This program is run by C.A.P. Director Brian Lux and is provided to our boys and girls teams ages U15 to U19.

The program is set up to serve the college bound player in a number of different areas. Starting with the freshman year of high school and continuing through their senior year, this program provides information and guidance in such areas as:

> College Preparation
> Admissions Counseling
> College Athletics
> Recruiting
> College Contact Preparation
> ACT/SAT Guide
> College Research Assistance
> Information on both academic and athletic endeavors
> Review any information that the players may have prepared themselves
> Discuss any questions that they players may have
> Discuss any questions that the parents may have
> College test prep assistance
