

Rush Pikes Peak U10G Cheetahs and Alley Cats go undefeated at the FRIT!

Rush Pikes Peak was represented well at the 2013 Front Range Invitational Tournament (FRIT), as the U10G Cheetahs and Alley Cats both finished undefeated at 4-0. The only difference came down to point differential, as all teams did not play each other in the bracket. The teams had victories over squads from Pride, Colorado United, Pueblo Rangers, Colorado Rush, and a younger Rush Pikes Peak team.

It was a great way to finish off Intermediate soccer for the two teams, as they will combine to create the U11G Rush and Nero teams this Fall. Way to go Rush girls!
