

U18 Rush player Emily Loof has been named to the 2014 All Rush team! Each Rush club around the world nominates their top U18 male and female player to receive this prestigious honor. Emily is currently midway through her final season at St. Mary's High School in Colorado Springs, CO, where she is a team co-captain. The team is currently 4-1 and hoping to once again contend for a state title. In February 2014 she signed to play soccer at St. Mary's University in Winona, Minnesota. "I am very grateful to Rush Soccer for the opportunities I was given and all the great coaching I received which helped me to achieve my dream of playing college soccer," said Emily. Congratulation!
