

This past weekend the U14 Platinum Girls got second place in their first tournament since joining the club. Coached by Bob Ruzicka and with some help from guest players from our U14 Swoosh Girls, the team advanced out of group play by winning their last round robin game to set up a rematch with the team that defeated them on day 1. The girls put up a great fight but ended up losing by a goal. Congratulations to Bob and the girls and we wish you continued success in our club!

The U18 Nike Girls coached by Dan Highstead also took second place at the Storm Classic. The team was aided by 3 guest players from our sister team the U18 Nike Platinum team from North Area Rush. After cruising through group play the team went into the final as favorites. They had a halftime lead but their opponent fought back to earn a tie and a shootout would decide the champion. Unfortunately, our girls ended

up second place as luck was not on their side. Congratulations to both teams on their great weekend and good luck as they begin their seasons!
