

The U17 Colorado Rush Nero team took first place at President's Cup this fall with the help of some Pikes Peak players! Hailey Peterman, Stephanie Deines and Michala Barber (all U17 Rush Pikes Peak 96/97 players) joined the CO Rush team for their Cup run. The final was between Colorado Rush Nero and Arsenal Colorado Royal. This was a hard fought game on both sides, but Colorado Rush Nero ended up bringing the title home for the second year in a row. After playing a full game and ending in 1-1 the game progressed to overtime. After the first overtime the score remained 1-1, but soon into the second overtime Nero took the lead 2-1 and they held on for the championship. Congratulations to Hailey, Steph and Michala and to Colorado Rush Nero and good luck at Regionals!
