

Rush Soccer Membership,

As you may know, Rush Soccer own 53 acres in the Chatfield basin (just south of Chatfield Reservoir). The area is currently under rezoning to allow us to build our very own soccer complex. We are in our last and final stage for approval. We want to thank all of you for your continued support. The public hearings on final approval of Sterling's rezoning begin at 6:30 p.m. Monday, April 4. Again, this will be the final meeting before the county commissioners must make their zoning decision. To ensure your voice is heard by the Douglas County Board of Commissioners on this important decision, we would be grateful to you for sending a letter to the commissioners at 100 Third St. Castle Rock, CO 80104 or bocc@douglas.co.us.

We will communicate more prior to the meeting on how you can help make this dream a reality.

Thank you.
