

Congratulations to Directors of Coaching Nancy Sibley and Brian Lux who have successfully completed their USSF "B" and USSF "A" Licenses respectively. Nancy and Brian attended the USSF Coaching Schools in Casa Granda, Arizona from January 2-10 this year. After the grueling 9 day courses, both successfully earned their new coaching credentials. Rush Pikes Peak now has one of the most educated staffs in the state, as 80% of our DOCs now have the highest domestic license available. Congratulations and GO RUSH!
