

Lucy Hart, a member of the Rush Pikes Peak 02/03 Girls team this past fall, has earned on spot on the Colorado Rush (Denver) first team. Lucy is the first player from Rush Pikes Peak that has made the jump to the Denver branch at this young age.

"Lucy is a special talent. She has all the tools and desire to be a very top player one day, hopefully representing our country at the National level," said Brian Lux, Lucy's coach at Pikes Peak.

Lucy trained 8-10 times per week to earn her way to this level, training with the U10-U14 girls age groups and even joining in once a week with the 13 Rush Boys team. "She has definitely put in the time, and she is willing to train when others aren't. Every opportunity afforded to her she has earned! She is a great example for the rest of the players in our club," said Lux. "This just shows what our club can do, there is no other club in the city or state that can offer opportunities to their players like Rush can, and I am very proud of Lucy and her hard work."

The staff and members of Rush Pikes Peak would like to wish Lucy the very best of luck with her new team. You have made us all proud, we look forward to seeing your success and your influence on other player's in our club!
