

On Friday, July 13 the U11 Nike and U16 Nike Girls (coached by Brian Lux) attended the Colorado Rush W-League game at Valor Christian High School. The girls got a chance to see Rush's brightest stars play and even got a chance to get down on the field at halftime for a juggling contest. They are pictured after the game with some of the W-League stars.

Earlier in the week, the girls had a Big Sister/Little Sister event, where each one of the younger girls was paired up with an older girl as a "sister" in the club.

Though the game ended in a 0-0 tie, the point was enough for the W-League team to finish in 3rd place in their division, their best finish ever! [Click here](#) for more info on the Colorado Rush W-League team.
