

Rush Pikes Peak was very well represented at last weekend's President's Day Tournament in Phoenix, Arizona. Rush Soccer sent 9 Select teams comprised of players from all across the Rush Soccer nation. Our club was represented on 5 of these teams! Mario Mandell, Nick Cullen, Dylan Grecco and Ryan Moldenhauer played with the U13 Boys that won the tournament (pictured at right). Michelle Coleman played with the U15 Girls that were finalists. Amon Frasier, Klinton Spencer, Jacob Calhoun and Blake McNellis represented Pikes Peak with the Select U15 Boys team. Ben Fetter played for the quarterfinalist U17 Boys Select team. Rush Pikes Peak was also represented by two coaches. Technical Director Nik Penn was the head coach of the U13 Girls Rush Select team, and

Director of Coaching Junior Girls Brian Lux was head coach of the U17 Boys Select team. Congratulations to all of the players and coaches that did their best to represent not only Rush Pikes Peak, but Rush Soccer! GO RUSH!
