

Enjoying the Holiday Spirit and

giving a little too!

The U14 Nike Girls team got together and had a great day of bowling and making gingerbread houses. Some houses were a little too pretty to eat and others looked like they had been through a windstorm in Kansas, especially the one made by Coach Lux and his assistant Oliver Penn! Everyone was in the giving spirit and the team provided many gifts for Toys for Tots.

Warmest Wishes throughout the holidays and a prosperous New Year to all of Rush Pikes Peak!
