

The Rush Pikes Peak 02/03 girls coached by Brian Lux won their league this past Saturday with a resounding 5-0 win over Riverside Renegades. The girls finished the season with an 8-1 record.

"The girls worked very hard this year and they truly deserve to be at the top of this league. Not only did they achieve their goal of moving up, but they did so by playing soem very good soccer," said Coach Lux.

The girls celebrated in style by watching their coach jump into Fountain Creek. "I made a bet with the girls at the beginning of the season and said that if they scored a goal using an "over" (a Rush term for a dummy or a leave) that I would jump in the creek," said Lux. "I clearly underestimated them in this case, they managed to score a great goal and I had to jump in some freezing water because of it!"

See below for a video of the post game celebrations (and debt repayment!). Congratulations girls, great job this year and good luck next season!
