

The U11 Rush Girls coached by Brian Lux began their season last weekend at the Denver Cup, facing off against some Super League and Premier Level teams, including a 4-1 win over the Colorado Rapids Academy team. Overall, it was a very great weekend for the team that featured some incredible soccer. Pictured below are the first 11s from the games and some candid shots of the team attending the Colorado Rapids versus Real Salt Lake match Saturday night. Good luck to the girls as they head into the Broomfield Tournament next weekend and into the Fall 2013 season!
